## A. Aim

The aim of this policy is to outline the admission procedure at Newlands School within the guidance of the DSIB (Dubai School Inspection Bureau), Dubai's Inclusive Education Policy Framework and Implementing Inclusive Education: A Guide for Schools.

## B. Admissions Statement

Newlands School welcomes children from all ethnic, religious, cultural and ability groups. All children will be respected and treated equally, which will be balanced with the lawful needs and rules of our school community. This policy aims to highlight the process involved in the identification and admission of children who will benefit from our approach to education and who will contribute to school life and the wider community. The school will provide an inclusive education in line with the UAE Federal Laws and the KHDA's expectations. We will try to support children who need extra attention and specialized care and all prospective children will be assessed in their social, emotional and cognitive abilities. We shall assess your child to see if your child is school ready.

Newlands School believes that:

- Every child should be able to access education.
- Every child should be encouraged to be active members of the community.
- Every child is different and their unique talents and attributes enrich the school environment.
- Through close collaboration with parents, we meet the needs of those students and families who are seeking quality education in accordance with UAE Federal Law 29 (2006).
- High expectations of all children builds a strong, academic and aspirational ethos.

## C. Admissions Procedure

At Newlands, children will be admitted throughout the school year, subject to approval by KHDA. All placements are subject to availability of seats as well as clearing of the assessment.

For all children a report from their current school is expected and the child's strengths and weakness across all curriculum areas will be used to inform targets.

## D. Application

The student application form is available on the website and can be filled online to begin the admission process. Based on the information provided on the form, our assessment team then contacts each parent to book a date for the assessment. On the date of the assessment, parents are informed to pay the application fee of AED 500 to our Accounts Department. This fee is non-refundable.

Parents are also required to fill in and sign the Admissions Form, available on our school website, and submit the necessary documents. Please refer to Table 1.1 in the Appendix.

The school might also require your child's last school report and a reference form may be sent to your child's existing school requesting further information on your child's academic and social progress.

Please refer to Table 1.2 in the Appendix for understanding of the application process.

## E. Assessment

All children who apply for a place at Newlands School are invited to take part in an assessment. The assessment seeks to explore each child's strengths, interests, readiness, personal qualities and their ability to access the National Curriculum for England.

## F. Placement Offer

If the School decides to offer the child a place, an offer letter will be e-mailed to the parents. To accept the offered place parents are expected to submit the necessary documents and pay the deposit, details of which are outlined within the offer letter. Failure to fully complete the application and payment within the given time will result in the application being put on a waiting list.

## G. Decision-Making Authority

Final admission of the application to the school is determined on the criteria as set out herein and at the discretion of the Principal.

## H. Waiting Lists

The school maintains a waiting list based on the date of application. Any places will be offered when they become available. The school periodically seeks confirmation that parents wish a child to be kept on the waiting list.

Priority is given in this order:

1. Siblings of students already at school
2. Siblings applying for the same academic year.
3. A child who has completed the assessment.

## **I. Sibling Priority**

The school offers siblings priority for entry to the school with the expectation that parents inform the school at the time of admissions. Applications for new admissions are first opened to students with siblings already at Newlands School.

## **J. Disclosures**

Parents must, as soon as possible, disclose any particular known or suspected circumstances relating to their child's health, allergies, and disabilities or learning difficulties. Providing misleading information and/or misrepresenting facts in the application, shall render the application null and void.

## **K. Cancellation and refund as per KHDA refund policy**

A complete refund of the placement fees will only be given if the family is relocating either to another Emirate within the U.A.E. or to another country. The following documents will have to be submitted to process the refund.

If relocating to another Emirate within the U.A.E:

- Original receipt
- Proof of admission in the new school

If relocating to another country

- Original receipt
- Copy of the airline tickets
- Copy of U.A.E. visa cancellation of family

In the case of a refund, the school fees will be calculated as follows:

- Tuition fees paid prior to the beginning of the academic year are refundable and only the registration/re-registration fees will be deducted;
- If the student was enrolled in the school for two weeks or less, a month fee will be deducted;
- If the student was enrolled in the school for a period ranging between two weeks and one month, two months' fees will be deducted;
- If the student was enrolled in the school for more than a month, the full term's fees will be deducted

## **L. Students of Determination**

Our policy is in line with Dubai's Inclusive Education Policy Framework and Implementing Inclusive Education: A guide for Schools, as such students of determination are not refused admission and are given the appropriate accommodations and modifications during their initial assessment. Students of determination receive "sibling priority" during admission.

At the time of application, parents are required to inform the school of any known additional learning need and provide the school with full details prior to seeking admission. Parents are also required to submit all existing reports and/or assessments from psychologists, specialists and /or external agencies. This allows the school to create a case history of the child and properly assess the areas of need.

Assessments are usually conducted by our specialist staff and/or the Special Educational Needs Coordinator. Once complete, parents are recommended any additional provisions, if required. Early identification of specific additional needs of each child is very important if we are to support their learning at Newlands School.

**Table 1.1 – Documents required**

1. A copy of official birth certificate of the child.
2. A copy of the child's and parents' passport and U.A.E. visa page.
3. A copy of child's and parents' Emirates I.D.
4. A copy of the passport and visa – parents and child
5. Copy of the immunization record.
6. A copy of the previous school report for Years 1-7 and transfer certificate.
7. The school's application form duly completed, including a signed Declaration Form, Code of Conduct.
8. Additional documents as may be required by the school or KHDA.
